

## Description du lieu

Fisherman's house with blue windows with rancid view over the port of Vicomté sur Rance. It is therefore on 3 levels. She's got charm. She is cute and modest. So far, all the people who have been able to return to my house, describe it as full of charm. It is a house where you feel good. It has on the ground floor an entrance hall, a bedroom with bathroom. On the first floor, the living room and the open kitchen as well as a small balcony and the dining room in a wooden extension which, on the other hand, overlooks the garden. On the top floor, another bedroom with bathroom. All rooms have a view of the rancid and the boats. The garden does not overlook the harbor. At the exit of the house on the garden side, a wooden terrace. There are beams in the house.
