

Description du lieu

The flat is located in the wide rue Lesbroussart which connects Avenue Louise to Place Flagey and the Ixelles ponds.

The flat is in Haussmanian style, with ceiling heights of over 5 metres, the ceilings and walls are moulded and the ceilings are equipped with built-in modern lighting.

Three large and elegant adjoining rooms with two period fireplaces and herringbone parquet flooring open via three large bay windows onto a city garden of over 300 square metres .

This flat is equipped with a lovely, bright modern kitchen with a central island and modern amenities. It opens onto the garden through 3 large bay windows.

This garden is planted with a magnificent, centuries-old Magnolia and a majestic red beech.
