

Description du lieu

Toulouse.

An exceptional view offering breathtaking sunrises and sunsets!

An establishment at the top of the ground, to take advantage of this exceptional 180 ° panorama.

Two long rectangles superimposed in concrete

This 32.00m long, fully glazed volume allows you to enjoy sunshine from morning to night. A long balcony, sheltered by a black steel cap, offers a gazebo to all rooms, as well as to the hotel.

The living room, fully glazed to the south and north, is extended with 2 terraces, for different times of the day, depending on the amount of sunshine.
