

Description du lieu

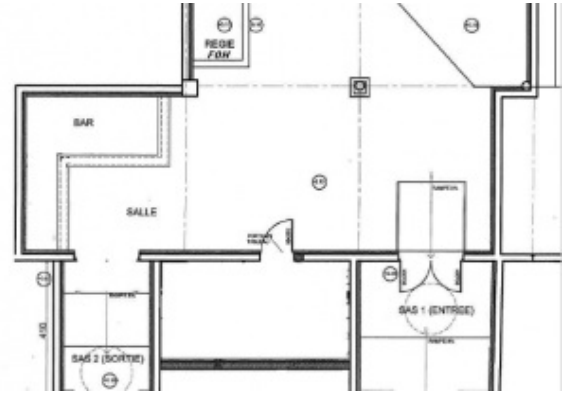

The Secret Place is an underground rock concert hall. Friendly and equipped, the Secret Place includes a main room of more than 100m² that can accommodate up to 287 people standing with pinball machine and table football, a triangular-shaped stage of approximately 15m² with a ceiling height of 2.6m, a control room, a large corner bar.

The outer courtyard of the room covers an area of 500m², offering a covered terrace with a large convertible bar as well as an open area with 3 pine trees. We also provide our three rehearsal studios as well as our recording studio.

The Secret Place, both anchored in the rock universe and easily convertible, is the perfect place for your projects! (filming, photo shoot, events ...)
