

Description du lieu

Small Ardèche house, in stone, blue shutters, built in 1800, on three levels (cellars / living room, kitchen / living room / attic), semi built-in house on Ardèche stone.

Shaded terrace (summer vine)

Garden of 400 m2 surrounds and overlooks the house.

With a small basin, an olive tree, small floors.

Beautiful tiled roof.

Panoramic view, extra sunrise ...

30 meters from the hamlet bread oven.

Small atypical size, near favorite hamlet (small church, cemetery, bread oven ..)

Kitchen and utensil, furniture ... Leave for three generations (wood stove, faz, frigedera ...) ...

Ideal, solitary life, couple, small workshop, house on a human scale where time stands still, very dry and hot in summer ...
